-------------------------	---------------------------------	----------------------------------	----------------------------	------------------------------

## KEY FINDINGS

### CRITICAL (1)

Rebate handling and disclosure practices introduce significant economic leakage with delayed remittance allowed and partial pass-through structures.

### WARNING (1)

Termination clauses with weak protection on data rights may result in costly transitions if not addressed prior to contractual exit.

## PROVISION SCORECARD

PROVISION	SCORE	STATUS	PROTECTIONS
Pricing & Reimbursement	5	Red Flag	2 / 2
Spread Pricing	3	Red Flag	1 / 2
Rebates & Manufacturer Revenue	4	Red Flag	2 / 2
